GEN. & REV. SECTT 31 JULY 1942 MYSORE

Sir,

Subject: Ordinance depot near White-field Railway Station - plot of land adjoining the - required for the use of -

In continuation of my letter of even number and dated 20th July 1942 on the bove subject, I have the honour to state that the Headquarters, Bangalore Area, having written to the Civil Officer, Bangalore in their letter No. 156/2/52/P8/Q dated 22nd July 1942 that the plot of triangular piece of land adjoining the ordinance depot near Whitefield Railway Station, was immediately required for a tented camp, the Civil Officer visited the place on 24-7-42 and discussed the matter with the Military Officer in charge of the Depot at Kadugodi plantation. It is stated that the urgency for the land for a tented camp suddenly developed and that it is necessary to take over the land immediately.

The land selected measures 29 acres and 23 guntas. Of this area, 10 acres belong to Dr. Albuquerque, Chief Lady Medical Officer and she has no objection to place the extent at the disposal of the Military authorities under the usual conditions. The remaining extent of 19 acres 23 guntas belongs to one Mr. V.T.Staggs, Richmond Road, Bangalore. The land has not been cultivated at any time and is lying waste with the growth of shrub jungle. The Civil Officer has proposed compensation of about Rs 2/- to Rs 3/- per acre being double the assessment usually allowed on similar lands. But the owner refuses to allow the

land to be occupied by the Military for any compensation less than Rs 25/- per acre. The basis for his claim is that he had two offers for building purposes. This is reported to be untenable.

In these circumstances, I propose to issue a notice under Rule 80 of the Defence of India Rules 1939 as applied to Mysore to Mr. V.T.Stages requiring him to hand over possession immediately of S.No. 4 of Pattandur village, Krishnarajapura hobli, Bangalore South Taluk, to the Sub Division Officer, Bangalore. A copy of the Civil Officer's report No: Nil dated 26th July 1942 is enclosed for reference.

--

Adverting to copy of your letter No. M4-6433/41-42 dated 20-7-1942 to the address of the General Secretary to Govt. on the above subject, I have the honour to state that the Head-quarters, Bangalore Area, having written to me in their letter No. 1 156/2/52/18/Q dated 22-7-42 that the above triangular peice of land will now be required, I visited the place on 24-7-42 and discussed the matter with Col. Hinks, in charge of the Depot at Kadugodi plantation. He stated that the urgency for the land for a tendted camp had suddently develped now and that it might be taken over immediately.

This area which measures 29 acres and 23 guntas belongs to Dr Albuquerque, Chief Lady Medical Officer, (10acres) and to one Mr. V.T. Staggs, Richmond Road, Bangalore, (19acres 23guntas). Mr. Staggs whom I interviewed yesterday is not willing to allow the use of the land for anything less than Rs 25/- per acre. He further states that he has two offers for the land for building purposes. But the version does not seem to be true as he has not taken any permission to have this land converted into non-agricultural purpose. Further, the land has not been cultivated at any time and it is lying waste with shrub jungle. The compensation for similar land paid till now is double the assessment which may work at about Rs 2/- to Rs 3/- per acre.

As Mr. Staggs is not willing to place the land at the disposal of the military authorities and as the same is required immediately for War Emergency, I enclose herein a draft notice calling upon him to surrender the land uner Rule 80 of Defence of India Act. The question of payment of compensation may be settled in due course. Dr. Albuquerque has kindly consented to place her land at the disposal of the military authorities under them usual conditions.
